OBJECTIVE

As a Web Developer skilled in Next.js and Material UI, I design responsive, user-friendly interfaces aligned with client goals. With a creative mindset and strong communication, I'm committed to continuous learning and advancing toward a full-stack role, staying current with emerging technologies to deliver top-tier solutions.

TECHNICAL SKILLS

React.js	Next.js	JavaScript	Material UI
HTML & CSS	Git & GitHub	Figma	Agile Software Development
VS Code	Postman	REST API	Microsoft Office

SOFT SKILLS

Excellent Communication | Creativity | Teamwork | Persistence | Attention to Detail

PROFESSIONAL EXPERIENCE

Front-End Developer   Ant Coders | Tehran, Iran | Jun 2021 – Aug 2021

- Developed key components for a dynamic E-Commerce website using Next.js, improving performance and accelerating project progress through reusable components.
- Collaborated as a pair programmer to develop a progressive form for the "Bime Iran" website, refining React components and state management to enhance user experience with real-time updates and reusability.
- Developed a responsive landing page with Material UI, optimizing design and responsiveness to attract investors.

Front-End Developer   Dexis Co | Tehran, Iran | Jan 2021 – Apr 2021

- Developed a national exhibition website during the pandemic, improving engagement and performance using Next.js, SSR, and SEO for a seamless user experience.
- Enhanced admin panel performance by improving front-end and back-end integration, optimizing workflows, and using Postman for API testing.

Back-End Developer Intern   TOD Co | Tehran, Iran | Nov 2016 – Apr 2017

- Gained a solid understanding of the Zend Framework by debugging code and writing test scenarios, which helped reduce recurring bugs by about 40%, improving system stability and functionality.
- Enhanced the "Percity" game logic by integrating 10-15 functions and refining game levels and dynamics, leveraging PHP expertise and applying Agile methodology and Scrum throughout the process.

EDUCATION

Web Development (Front-End Design) | Ontario College Graduate Certificate   2024 – 2025
George Brown College, Toronto, Ontario

Information Technology | Bachelor of Science   2012 – 2018
Amirkabir University of Technology, Tehran, Iran

WORKSHOPS AND CERTIFICATES

React.js and React-Native WORKSHOP | Rasa Academy, Tehran, Iran   2022
